Driven by ambition, powered by *growth*

May 2025

About the Deloitte EMEA Fast 500

Driven by ambition, powered by *growth*

The Deloitte EMEA Technology Fast 500 is a ranking of the 500 fastest-growing technology companies across Europe, Middle East and Africa. We celebrate those who turn bold ambition into measurable growth — companies that are reshaping industries, accelerating innovation, and driving the region forward.

The Fast 500 recognises not just rapid revenue growth, but the vision, resilience and drive it takes to scale in competitive and evolving markets.

From emerging disruptors to market leaders, the EMEA Fast 500 brings visibility to the pioneers of the region’s tech ecosystem—and the stories behind their success.

Selection and qualifying criteria

This ranking is compiled from applications to the Deloitte Technology Fast 50 programmes across EMEA. Find out more about the EMEA Fast 50 programmes.

i-charging

“Our mission is to simplify electric mobility—making charging smarter, faster, and accessible to all.”

— Pedro Moreira da Silva, CEO, i-charging

Founded in Portugal, **i-charging** is at the forefront of the electric mobility revolution. The company develops cutting-edge EV charging solutions that combine technological innovation with smart energy management. Its flagship product, **blueberry**, offers a modular, scalable, and interoperable platform that adapts to all electric vehicles and grid infrastructures—making it ideal for public, private, and commercial use.

What sets i-charging apart is its focus on flexibility and intelligence. Through integrated software and real-time energy optimisation, it supports efficient charging while minimising environmental impact and grid stress.

As global demand for electric vehicles continues to surge, i-charging is helping shape the infrastructure that makes large-scale adoption possible—accelerating the shift towards a cleaner, more connected mobility future.

Pedro Moreira da Silva, CEO of the #1 company, i-charging

“Deloitte,” “us,” “we” and “our” refer to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”) member firms, and their related entities (collectively, the “Deloitte organization”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities and, therefore, do not bind each other for all intents and purposes. Accordingly, each entity is only liable for its own acts and omissions and cannot be held liable for the acts and omissions of the other. Furthermore, DTTL does not provide services to clients. To learn more, please consult www.deloitte.com/about.
